Subject: Handouts: PLP Guidelines and Matrix
Attachments: twgproto.pdf; Pebble TWG matrix 29Jan09 .xls

Hi Jeanne.

Re: Help with Copying, Please.

The "TWG Operating Protocols and Guidelines" I was referring to in the agenda is attached. I'll take you up on your offer for help with copying, as I'm about to go into my 3rd meeting today in just a few minutes.

I think we'll need about 20 copies of the Guidelines, plus 20 of the Matrix as handouts.

Thanks!
